Breaking up with your breakdown
Standing tall in your white gown
You're going nowhere, you're going fast
Slowin' down, but it never lasts
Take your time
Take your time

It's the wrong dream, with the wrong man
With a cold gun, in your own hand
Get it right this time, get it off your mind
Let the summer rain bring rest and shame and love

Carve your name in the black stone
Swear to god he won't let go
If you can't love babe, then you can't hurt
You take the good times, with the worst

Take your time
Take your time

It's the wrong dream, with the wrong man
With a cold gun, in your own hand
Get it right this time, get it off your mind
Let the summer rain bring rest and shame and love

It's the wrong dream, with the wrong man
With a cold gun in your own hand
Get it right this time, get it off your mind
Let the summer rain bring rest and shame and love
Let the summer rain bring rest and shame and love
And love
And love
And love
And love
