The day is done and now we're older  
The feeling's gone so now you'll show her  
Where love went wrong on your shoulder

But I try, but I try, but I  
Bye, bye, bye

You're all alone and you can't take it  
You're just too tired to suffocate it  
And all alone we'll just fake it

But I try, but I try, but I  
Bye, bye, bye, no

You try to breathe, you try to save it  
It marks your skin until they break it  
Could you call when they're taking  
All that you left for me

But I try, but I try, but I  
Bye, bye, bye, bye, bye, bye, bye, bye, bye  
No, no, no, no, no, no  
No, no, no, no, no, no, no, no, no
