It doesn't make the rain fall down  
It doesn't make the world go round  
It doesn't make the loudest sound  
It doesn't mean I'm sorrow bound

It doesn't make the wrong things right  
It doesn't keep you warm at night  
It doesn't help you learn how to fight  
It doesn't show the dark from the light

And it doesn't take a sign to see  
Best things never come for free  
And even if it's made to bleed  
You know that you can count on me

And it doesn't make your plans fall through  
It doesn't make your dreams come true  
It doesn't make your old ways new  
It only means I love you

And it doesn't make the river flow  
It doesn't make your flowers grow  
It doesn't make you feel alone  
It doesn't tell you where to go

And it doesn't make a blind man see  
It doesn't make a lost man free  
It doesn't fix your broken wings  
It means that you were made for me
