My name is Cupid Valentino  
The modern day cupid  
I just wanna say one thing

Happy Valentine's Day!  
Every day the 14th!  
I don't think y'all heard me?  
I just wanna say Happy Valentine's Day!  
Every day the 14th!  
Can y'all dig that?

Now when arrows don't penetrate  
Cupid grabs the pistol  
He shoots straight for your heart  
And he won't miss you  
That's alright y'all won't believe in me anyway but,

Ya won't believe in me but you would fancy  
leprechauns or ground hogs,  
No thank you, Easter Bunny!  
There's all this talk about Santa Claus,  
But see love will rule supreme

Happy Valentine's Day!  
Every day the 14th!  
When cupid knocks at your door,  
You can't ignore me (there's no need to run!)  
Happy Valentine's Day!  
Every day the 14th!  
If you know what love means  
Somebody tell me!

Ya won't believe in me but you would fancy  
leprechauns or ground hogs,  
No thank you, Easter Bunny!  
There's so much fuss about Santa Claus  
But see cupid will not be defeated!

Happy Valentine's Day!  
Every day the 14th!  
Now I know your hearts have grown cold, and that

bothers me  
Now I understand 'cause I used to be a bad boy in my  
day  
I know your tryin' to protect your lil' feelings  
But you can't run away! (Uh oh!)

Ya won't believe in me but you would fancy,  
Hey don't you suppose to be some kind of player or  
somethin'...  
Bunny!!  
Well keep on runnin', player cause I got my good shoes  
on  
And I got 'em tied up tight, so your gon' find out  
tonight!

Got a sweet lil' darling back in my corner  
Below I know I love her but, act like I don't want her  
Surrounded by the lovely but yet feel like a loner  
Could be an organ donor  
The way I'd give up my heart  
But never know because shit I never tell her  
Ask me how I'm feeling I'd holla that it's irrel'  
I don't get myself caught in the jello jella,  
And pudding pops that other opt to call falling in love  
but  
For the record have you ever rode a horse?  
Likely you just sent me to Pluto, I said of course  
But if you ain't a sweetie indeedy I won't endorse  
Han Solo till I'm hit by bullets, obey the force  
Bewitch you, and I rich you in better time permits  
For now show me samples, examples why you're the  
shit  
But how am I to know with the profession that I'm in  
And if you do not know me then how could you be my  
friend?
