[Hook]

Every boy and girl, woman and man
When you feel you've done about the best you can
Muthafuck the wagon, come join the band
Vibrate, vibrate, vibrate, higher!

[Repeat]

[Verse 1]

Sometimes when it's late at night
And you have no one to talk to
Here's what you don', you go through that
Raggedy cell phone 'bout two or three times
Tracy ain't home, Tina ain't home
The Love Below start talkin' to ya

[Hook]

[Verse 2]

The circumcision has already begun
Desensitizing the very thing or thang that brought
you into this motherfucker in the first place
And when I say "mothafucker" I do mean
"mothafucker"
Because Mother Earth is dying and we continue to fuck
her to death
Play with your own score sheet, become the master of
your own..
And yes, God is watching you, but no need to be
embarrassed
For the future is in your hands, no the future is in your
hand
Play with your own score sheet
