Ah, LiÃ¢Ä™ I D, welcome to Soul Stack Records
So, I hear you like to be a star
Well, the price of fame is not cheap
I hope you got what it takes

But all we want is your soul, give it to me
(Soul)
All we want is your soul, give it to me
(Soul)

So, shawty, I got there
LiÃ¢Ä™ I D make a beat, make it hot there
Like a Rabbit, Volkswag or a Cadillac
IÃ¢Ä™ ma show you how to do a record contract

You earn it the old fashioned way
IÃ¢Ä™ m already gold in the hood, past the platinum
SellinÃ¢Ä™ million records, I canÃ¢Ä™ t wait and
IÃ¢Ä™ m
Gonna do whatever it takes to
[Incomprehensible]straight got soul, sell it

All we want is your soul, give it to me
All we want is your soul, give it to me
