Down and dirty

I hope that you're the one
If not you are the prototype
We'll tiptoe to the sun
And do things I know you like

I think I'm in love again
I think I'm in love again

Today must be my lucky day
Baby you are the prototype
Do somethin' out of the ordinary like catch a manatee
Baby, you are the prototype

I think I'm in love again
I think I'm in love again

If we happen to part
Lord knows I don't want that
But hey, we can't be mad at God
We met today for a reason
I think I'm on the right track now

I think I'm in love again
Down and dirty
I think I'm in love again

Let's go, let's go to the movies, yeah
And action
Come here, come here
I said come here, come here

I think I'm in love again
I think I'm in love again

I wanna say, I wanna say thank you
