Cutthroat nigga bitch I scam on 'em fo days  
In school days I blew baze got ripped and fucked up  
In new jays on 2 ways I scritch and scratched up  
I beat that bitch up when I found out she lyin  
Who she think I am? Saving Private Ryan?

Andre Nickatina

I make the town move just by walkin on your block  
Take the keys to yo city but I still picked the locks  
Buy a car and a glock put the cash in my socks  
Put the beat in the trunk so ya hear the shit knock  
To hell with the law the freeways mines  
So is yo freak, radios, and Alpines  
Coc wit a little bit of cherry lemon-lime  
Ya think of me ya think of big money everytime  
Kenneth Cole shine like the trigger of a nine  
Orca was a whale but Pisces is the sign

Mac Dre

I got split personalities I'm bipolar  
Ya might see me wit my Italion stallion or my chola  
Rap rock n rolla I'm dope as yola  
If you don't pimp her, I might like Dola  
I'm ridin in a big boat like Noah  
Wit 2 women of each races boy I control her  
A ho a ho stable I'm a Mac and a medic  
No do ho debt it, that's right I said it

Andre Nickatina

I treat my dolla bills like my Caddy steering wheel  
I'm not a chill pill freak do what ya will  
Heart ticking like a timebomb eatin spicy prawns  
Man it's the God of Khan check it baby right or wrong  
Man look but don't stare it's the crime rhyme king  
Wit braids like a juvenile con na mean?

Bruce springsteen in my Anchor Blue jeans  
O yea I'm in yo city man what's up wit the weed?  
Man call all the g's and tell em all freeze  
Andre Nickatina sayin "nigga what ya need?"  
Hit the corner so narrow in a fly blue Camaro  
A sparrow dodge an arrow but not a double barrel

Mac Dre

Don't mean to the point the finger but uh (but uh)

Andre Nickatina

How you want it nicky baby? 4 times 5  
A quarter ounce of weed and some cherry pot pies  
Excuse me if I'm greedy 'cause I'm caught up in the

I'll lie if ya want but I'm a tiga you can trust  
'Cause I'm on Fillmoe in a white velour suit  
In a blue Kangol in my Wu-Tang boots  
Wit a back like a cobra cursed by the mail  
My manicured nails touch a triple beam scale  
Baby is a athlete body like a star  
Ya talkin real bad freak meet me by the car
