(girl)

Go baby baby baby ooo check check

(andre)

The homies said

Man we can trunk em like rocky if your cocky when you
knock me

Do it till we sloppy or atleast untill you drop me

Nicky back at cha like star six nine

On the grind, on your mind and im runnin out of time

You know that bay bridge heart kid runnin through my
veins

Hang with me bird let me pocket everythang

Cause my 3-10 shoes they don't leave no clues

Ill book and break the law but I'll fucken follow through

Holla back my cardier savoir's fair

I was born round i could never die square

So it's like that
