I've got a little son  
His name is Monday  
He never give me no problems  
Till on Sunday

He came to me one day  
He said, Daddy  
I got a little girl

I said, well, son  
How do you know  
That she digs you  
He said, Daddy  
She can do the pearl

I said pearl, baby  
Pearl, baby, pearl, baby  
Pearl, baby, pearl

And that's good, son

Pearl, baby  
Pearl, baby, pearl, baby  
Pearl, baby, pearl

I think you know  
Where that's at

Pearl, girl  
Pearl, girl, pearl

So then I thought  
I'd sit him down  
Me and him had to  
Have a little talk

I said, son  
Is you sure that  
This pearl is the girl  
He said, Daddy  
I'm absolutely positive  
That my girl is pearl

I said, well, all right, son  
If that's your girl  
Then go on out on the floor  
And do the pearl

Pearl, baby  
Pearl, baby, pearl, baby  
Pearl, baby, pearl  
My, my, my, my, my, my, my

Pearl, baby  
Pearl, baby, pearl, baby  
Pearl, baby, pearl

My boy can do the pearl

Pearl, girl  
Pearl, girl, pearl

Oh, that's my son  
Out there, y'all  
That's my boy

Pearl, baby  
Pearl, baby, pearl, baby  
Pearl, baby, pearl

I'm so proud of my son, 1967

Pearl, baby  
Pearl, baby, pearl, baby  
Pearl, baby, pearl

Go on and pearl, Andre Jr  
You're looking good

Pearl, girl  
Pearl, girl, pearl

Just go on and sock it to me  
Sock it to me

Pearl, baby  
Pearl, baby, pearl, baby  
Pearl, baby, pearl...
