"Oh baby can't you see
I need you come with me, something is telling me
That you feel the way I do , I want you close to me
My heart is telling me, I hate the fact that
I love you I feel blue, even know im not with you
I always think about you lately I've been going crazy
'Cause Im missing you,

Can't you see we were ment to be baby, I wanna be
with you baby
Oh baby can't you see, I need you now
Can't you see were ment to be baby, I wanna be with
you baby.
Oh baby can't you see, I need you now

Oooohhhh
Now that I think about it , the love and times we shared
How can I make it right, I just wanna go back again
There something I can do, there something I can say

Don't make you change your mind, just let me know if
I could stay
Even know im not with you, I always think about you
lately I've been going crazy
'Cause im missing you,

Can't you see we were ment to be baby, I wanna be
with you baby.
Oh baby can't you see, I need you now
Can't you see we were ment to be baby, I wanna be
with you baby.
Oh baby can't you see, I need you now

(Rap!)

Can't you see we were ment to be baby, I wanna be
with you baby.
Oh baby can't you see, I need you now
Can't you see we were ment to be baby, I wanna be
with you baby.
Oh baby can't you see, I need you now
(x2)
