Baby be mine! Let's go!

Baby are you mine, mine, mine, mine, mine?  
And could we live a fairytale together?  
I wanna make you mine, mine, mine, mine, mine  
Say you will be mine  
So baby are you mine, mine, mine, mine, mine?  
And could I be your one true love forever?  
Let me make you mine, mine, mine, mine, mine  
Say you'll be mine

I wanna look into your eyes every single time  
I wanna love you like no one ever has before  
I wanna be there by your side every night and day  
and live our own fairytale

If you were mine, mine, mine,  
every dream will come true  
Baby you're fine, fine, fine  
There's no other but you  
So fine, fine, fine  
It was meant to be you  
And you are all I've been waiting to find

Baby are you mine, mine, mine, mine, mine?  
And could we live a fairytale together?  
I wanna make you mine, mine, mine, mine, mine  
Say you will be mine  
So baby are you mine, mine, mine, mine, mine?  
And could I be your one true love forever?  
Let me make you mine, mine, mine, mine, mine  
Say you'll be mine

Baby high, high you make my body hot  
You make my body wild  
You got me good  
My heart is racing hot, hot  
Oh, baby, don't you stop  
You make my heart go pop  
You've got me hot  
You've got me spinning hot  
You make my body hot  
You make my body wild you got me good  
My heart is racing hot, hot  
Oh, oh, oh, don't you stop

You make my heart go pop  
You've got me hot  
You've got me spinning hot

Let my love for you take us higher  
Ooh, just say that you love me  
Cuz I'm so inlove with you  
If you told me that you want me,  
That you love me Yes I love you  
And I'll give you every moment  
Give my heart to you  
Give my soul to you  
All my love to you

Baby are you mine, mine, mine, mine, mine?  
And could we live a fairytale together?  
I wanna make you mine, mine, mine, mine, mine  
Say you will be mine  
So baby are you mine, mine, mine, mine, mine?  
And could I be your one true love forever?  
Let me make you mine, mine, mine, mine, mine  
Say you'll be mine
