When I close my eyes all I see is you
You set my heart on fire
You're the one
who makes my dreams come true
My love is for you
I'm addicted to you

Only you
Only you
Only you
Only you

Somebody told me on the phone
I should have stayed forever
But now that you're gone
My world is getting cold
so o-oh so o-oh
Pretending you are close to me
My heart is beating over and over again
I miss you

When I close my eyes all I see is you
You set my heart on fire
You're the one
who makes my dreams come true
My love is for you
I'm addicted to you

When I close my eyes all I see is you
You set my heart on fire
You're the one
who makes my dreams come true
My love is for you
I'm addicted to you

Only you
Only you
Only you
Only you

Quiero un momento de amor
Quiero sentir tu calor
Quiero un momento de amor amor amor amor amor

Quiero un momento de amor

Quiero sentir tu calor
Quiero un momento de amor amor amor amor amor

Somebody told me on the phone
I should have stayed forever
But now that you're gone
My world is getting cold
so o-oh so o-oh
Pretending you are close to me
My heart is beating over and over again
I miss you

When I close my eyes all I see is you
You set my heart on fire
You're the one
who makes my dreams come true
My love is for you
I'm addicted to you

When I close my eyes all I see is you
You set my heart on fire
You're the one
who makes my dreams come true
My love is for you
I'm addicted to you

Only you
Only you
Only you
Only you

Quiero un momento de amor
Quiero sentir tu calor
Quiero un momento de amor amor amor amor amor
