I trust in You for life to live, air to breathe  
Purity fills my lungs  
I trust in You for life to live, air to breathe  
Purity fills my lungs

I no longer live in solitude, no longer bound  
My heart beats with great devotion  
This is the start to a new beginning

I no longer live in solitude, no longer bound  
My heart beats with great devotion  
This is the start to a new beginning

On my knees praying for mercy  
Hands raised high, humble and broken

Wanting Your grace, wanting Your security  
Memories of laying face down motionless  
With such a hollow feeling inside  
Soon I would end this life I was living

I am just a man with a heart and sinful hands  
I am a fallen victim  
I am just a man with a heart and sinful hands  
I am a fallen victim

I am just a man with a heart and sinful hands  
I am a fallen victim  
I am just a man with a heart and sinful hands  
I am a fallen victim

Lord, show me the way

Let my words be Your words  
Let my thoughts be Your thoughts  
Let my words be Your words  
Lord, show me the way

I ask of You Father  
To You, I give You my praise  
To You, I give You my praise  
To You, I give You my praise

Show me the way, take me in Your arms  
Never let me go

I trust in You, I trust in You  
Follow it down now, follow it down now

Live to breathe, air to breathe  
Purity fill my lungs

Lord, show me the way as I give myself to You  
Never let me go, hold me with Your everlasting love  
Be my strength, be my voice, my glory  
Set me free
