All these ideas keep swimming
Running through your
All these ideas keep swimming
Running through your
All these ideas keep swimming
Running through your head

Quick, we'll drown them with this fix
The dose to stop your shaking
The one to silence your voice
The dose to stop your shaking
The one to silence your voice

Just take it and you'll be fine
Calm, relaxed, obedient
Just the way we want you
Just the way we want you
Just the way we want you
Just the way we want you

Your thoughts ours to manipulate
Your actions ours to control
Your opinions are a thing of the past
Your opinions are a thing of the past
So tilt your head back and swallow this
Your opinions are a thing of the past
So tilt your head back and swallow this

A real team player, a real class act
No one cares about your identity
Open wide, here it comes
This prescription makes you perfect
Open wide, here it comes
This prescription makes you perfect
