(Garcia JosÃ“ Maria Lacalle)

Amapola, lindisima amapola,  
SerÃ­ siempre mi alma tuya sola.  
Yo te quiero, amada niÃ±a mia,  
Iqual que ama la flor la luz del dÃ­a.  
Amapola, lindisima amapola,  
No seas tan ingrata y Ã­mame.  
Amapola, amapola  
CÃ³mo puedes tÃº vivir tan sola.

Yo te quiero, amada niÃ±a mÃ­a.  
Iqual que ama la flor la luz del dÃ­a.

Amapola, lindÃ­sima amapola,  
No seas tan ingrata y Ã­mame.  
Amapola, amapola  
CÃ³mo puedes tÃº vivir tan sola.

English translation:

Poppy

Poppy, pretty little poppy  
My soul will always be only yours  
I love you, my dear girl,  
As the flower loves day's light.  
Poppy, pretty little poppy,  
Don't be so hard and love me.  
Poppy, poppy  
How can you live so alone.

I love you, my dear girl.  
The same as the flower loves day's light.

Poppy, pretty little poppy,  
Don't be so hard and love me.  
Poppy, poppy
