B?same, b?same mucho  
Como si fuera esta noche  
La ?ltima vez

B?same, b?same mucho  
Que tengo miedo a perderte  
Perderte despu?s

B?same, b?same mucho  
Como si fuera esta noche  
La ?ltima vez

B?same, b?same mucho  
Que tengo miedo a perderte  
Perderte despu?s

Quiero tenerte muy cerca  
Mirarme en tus ojos  
Verte junto a mi  
Piensa que tal ves ma?ana  
Yo ya estar? lejos  
Muy lejos de ti

B?same, b?same mucho  
Como si fuera esta noche  
La ?ltima vez

B?same, b?same mucho  
Que tengo miedo a perderte  
Perderte despu?s

B?same, b?same mucho  
Que tengo miedo a perderte  
Perderte despu?s

Que tengo miedo a perderte  
Perderte despu?s

English translation:  
Kiss Me A Lot

Kiss me, kiss me a lot,  
As if tonight was  
the last time.

Kiss me, kiss me a lot,  
Because I fear to lose you,  
To lose you again.

Kiss me, kiss me a lot,  
As if tonight was  
the last time.

Kiss me, kiss me a lot,  
Because I fear to lose you,  
To lose you again.

I want to have you very close  
To see myself in your eyes,  
To see you next to me,  
Think that perhaps tomorrow  
I already will be far,  
very far from you.

Kiss me, kiss me a lot,  
As if tonight was  
the last time.

Kiss me, kiss me a lot,  
Because I fear to lose you,  
To lose you again.

Kiss me, kiss me a lot,  
Because I fear to lose you,  
To lose you again.

Because I fear to lose you,  
To lose you again.
