B same, b same mucho
Como si fuera esta noche
La  ltima vez

B same, b same mucho
Que tengo miedo a perderte
Perderte despu s

B same, b same mucho
Como si fuera esta noche
La  ltima vez

B same, b same mucho
Que tengo miedo a perderte
Perderte despu s

Quiero tenerte muy cerca
Mirarme en tus ojos
Verte junto a mi
Piensa que tal ves ma ana
Yo ya estar  lejos
Muy lejos de ti

B same, b same mucho
Como si fuera esta noche
La  ltima vez

B same, b same mucho
Que tengo miedo a perderte
Perderte despu s

B same, b same mucho
Que tengo miedo a perderte
Perderte despu s

Que tengo miedo a perderte
Perderte despu s

English translation:
Kiss Me A Lot

Kiss me, kiss me a lot,
As if tonight was
the last time.

Kiss me, kiss me a lot,
Because I fear to lose you,
To lose you again.

Kiss me, kiss me a lot,
As if tonight was
the last time.

Kiss me, kiss me a lot,
Because I fear to lose you,
To lose you again.

I want to have you very close
To see myself in your eyes,
To see you next to me,
Think that perhaps tomorrow
I already will be far,
very far from you.

Kiss me, kiss me a lot,
As if tonight was
the last time.

Kiss me, kiss me a lot,
Because I fear to lose you,
To lose you again.

Kiss me, kiss me a lot,
Because I fear to lose you,
To lose you again.

Because I fear to lose you,
