(Andrea Bocelli / Amy Foster Gillies / David Foster)

Guarda fuori e'gia'mattina
Questo e'un giorno che ricorderai
Alzati in fretta e vai
C'ÃfÃ" chi crede in te
Non ti arrendere

Once in every life
There comes a time
We walk out all alone
And into the light
The moment won't last but then,
We remember it again
When we close our eyes.

Like stars across the sky
E per avvincere
Tu dovrai vincere
We were born to shine
All of us here because we believe

Guarda avanti e non voltarti mai
Accarezza con i sogni tuoi
Le tue speranze e poi
Verso il giorno che verrÃfÃ
C'ÃfÃ" un traguardo lÃfÃ

Like stars across the sky
E per avvincere
Tu dovrai vincere
Like stars across the sky

Non arrenderti
Qualcuno ÃfÃ" con te

Like stars across the sky
We were born to shine
E per avvincere
Dovrai vincere
E allora vincerai

English translation:

Look outside: it's morning
This is a day you'll remember
Hurry, get up and go
There are those who believe in you
Don't give up

Once in every life
There comes a time
We walk out all alone
And into the light
The moment won't last but then,
We remember it again
When we close our eyes.

Like stars across the sky
And in order to shine
You will have to win
We were born to shine
All of us here because we believe

Look ahead and never turn your back
On the caress of your dreams,
Your hopes and then,
Turn towards the day that will be
There is a finish line there.

Like stars across the sky
And in order to shine
You will have to win
Like stars across the sky

Don't give up
Someone is with you

Like stars across the sky
We were born to shine
And in order to shine
You will have to win
