It takes a fast car lady to lead a double life  
It takes a slow star lady if you want to do it twice  
You take your backseat rumble, take your frontseat  
wife  
Takes a fast car lady to lead a double life

It takes a light foot lady to lead a double life  
It takes a good book maybe if you want to do it nice  
When you idle at the stop light you better get the signal  
right  
Light foot lady, you need a double life

Well, lift me from the wondermaze, alienation is the  
craze  
And it's all gonna happen to you  
You think it's a phase  
And it's all gonna happen to you when you drive in the  
haze

It takes a freeway lady to lead a double life  
It takes some leeway lady if you want to do it twice  
Neon blinking on the street, everyone is bittersweet  
Freeway lady, you lead a double life

Well, lift me from the wondermaze, alienation is the  
craze  
And it's all gonna happen to you  
You think it's a phase  
And it's all gonna happen to you when you drive in the  
haze

It's all gonna happen to you  
(It's all gonna happen to you)  
That's right I said  
That it's all gonna happen to you  
That's right well  
Gonna say it to you  
(It's all gonna happen to you)  
Well that's right, oh  
That's all gonna happen to you, well  
I said it's all gonna happen to you, yeah  
Gonna tell you again, I said

(It's all gonna happen to you)  
Well
