Aranjuez,  
Un lugar de ensuenos y de amor  
Donde un rumor de fuentes de cristal  
En el jard n parece hablar  
En voz baja a las rosas.

Aranjuez,  
Hoy las hojas secas sin color  
Que barre el viento  
Son recuerdos del romance  
que una vez  
Juntos empezamos tu y yo  
Y sin raz n olvidamos.

Quiz i ese amor escondido est   
En un atardecer  
En la brisa o en la flor  
Esperando tu regreso.

Aranjuez,  
Hoy las hojas secas sin color  
Que barre el viento  
Son recuerdos del romance  
que una vez  
Juntos empezamos tu y yo  
Y sin raz n olvidamos.

En Aranjuez, amor  
Tu y yo!  
In Aranjuez With Your Love

Aranjuez,  
a place of dreams and love.  
Where a rumor of crystal  
fountains in the garden  
seems to whisper to the roses.

Aranjuez,  
today the dry leaves without color  
Which are swept by the wind

Are just reminders of the romance  
we once started  
And that we've forsaken  
without reason.

Maybe this love is hidden  
in one sunset  
In the breeze or in a flower  
Waiting for your return.

Aranjuez,  
today the dry leaves without color  
Which are swept by the wind  
Are just reminders of the romance  
we once started  
And that we've forsaken  
without reason.

In Aranjuez, my love
