I'll go with you
When I'm alone
I dream on the horizon
and words fail;
yes, I know there is no light
in a room where the sun is absent,
if you are not with me.
At the windows
show everyone my heart
which you set alight;
enclose within me
the light you
encountered on the street.
I'll go with you,
to countries I never
saw and shared with you
now, yes, I shall experience them.
I'll go with you
on ships across seas
which, I know
no, no, exist no longer;
with you I shall experience them.
When you are far away
I dream on the horizon
and words fail,
and, yes, I know
that you are with me;
you, my moon, are here with me,
my sun, you are here with me.
I'll go with you
to countries I never
saw and shared with you,
now, yes, I shall experience them.
I'll go with you
on ships across seas
which, I know,
no, no, exist no longer;
with you I shall experience them again.
I'll go with you
on ships across the seas
which, I know,
no, no, exist no longer;
with you I shall experience them again.
I'll go with you,

I with you.
