J rame

Que aunque pase mucho tiempo
Nunca olvidar  el momento
En que yo te conoc 

M rame

Pues no hay nada mas profundo
Ni m is grande en este mundo
Que el cari o que te d 

B same

Con un beso enamorado
Como nadie me ha besado
Desde el d a en que nac 

Qui reme

Qui reme hasta la locura
As  sabr is la amargura
Que estoy sufriendo por ti

Todos dicen que es mentira que te quiero
Porque nunca me habian visto
enamorado
Yo te juro que yo mismo no comprendo
El porqu  de tu mirar me ha
cautivado

Cuando estoy cerca de ti
ya estoy contento
No quisiera que de nadie te acordaras
Tengo celos hasta de mi pensamiento
Que purda recordarte
Otra persona amada

J rame

Que aunque pase mucho tiempo
Nunca olvidar  el momento
En que yo te conoc 

M rame

Pues no hay nada mas profundo
Ni más grande en este mundo
Que el cariño que te da

Bésame
Con un beso enamorado
Como nadie me ha besado
Desde el día en que nací

Quiéreme
Quiéreme hasta la locura
Así sabrás la amargura
Que estoy sufriendo por ti

Así sabrás la amargura
Que estoy sufriendo por ti

English translation:
Promise Me

Promise me,
that although much time may pass
you'll never forget the moment
when I first met you.

Look at me,
'cause there's nothing more profound
nor bigger in this world
than the love I gave to you.

Kiss me,
with a kiss so full of love
like no one has ever kissed me
since the day that I was born.

Love me,
love me until you feel the madness
and understand the bitter pain
that I am suffering for you.

They all say it's a lie that I love you
'cause they've never seen me so in love
I swear to you that I don't know why
the look in your eyes has kept me captive.

When you are near me
and I am happy
I wish that you'd remember no one else
I am jealous even of my thoughts
that may remind you
of another person you once loved.

Promise me
that although much time may pass
you will not forget the moment
when I first met you.

Look at me,
'cause there's nothing more profound
nor bigger in this world
than the love I gave to you.

Kiss me,
with a kiss so full of love
like no one has ever kissed me
since the day that I was born.

Love me,
love me until you feel the madness
and understand the bitter pain
that I am suffering for you...

and understand the bitter pain
