T   me acostumbraste  
a todas esas cosas,  
y t   me ense  aste  
que son maravillosas.

S  til llegaste a m   como una tentaci  n  
llenando de ansiedad mi coraz  n.

Yo no comprend   c  mo se quer    
en tu mundo raro  
y por ti aprend  .  
Por eso me pregunto al ver  
que me olvidaste  
por qu   no me ense  aste  
c  mo se vive sin ti.

Por eso me pregunto al ver  
que me olvidaste  
por qu   no me ense  aste  
c  mo se vive sin ti.  
por qu   no me ense  aste  
c  mo se vive sin ti.  
por qu   no me ense  aste  
c  mo se vive sin ti

English translation:  
You Got Me Used To

You got me used to  
All of those things,  
And you taught me  
How wonderful they are.

Subtly you came to me like a temptation  
Filling with anxiety my heart.

I didn't understand how love could be  
In your strange world  
And because of you I learned.  
For that reason I wonder

Realizing you forgot me  
Why you didn't teach me  
How does one live without you.

For that reason I wonder  
Realizing you forgot me  
Why you didn't teach me  
How does one live without you.  
Why you didn't teach me  
How does one live without you.  
Why you didn't teach me
