Even for us,
Even for us
There's a reason
Not to be alone
And if you hold me tight
To feel the sea
In our voice
Crying in our dreams
To always sail
The tears of my love
A man lost his heart in that way.
My love
If the sea and you were not here
I wouldn't be here either
My love
Love exists when
We are close to God
Love

In your look
There's a water mirror
A life of sailing
Through dreams and worlds
Without ever saying goodbye.
And gently,
Perhaps in the sea
In the foam I will find the sun of
Your look,
Follow the one of light, my love
A man finds his heart in that way.

My love
If the sea and you were not here
I wouldn't be here either
My love
Love exists when
We are close to God
Love

My love
If the sea and you were not here
I wouldn't be here either
My love
Love exists when
We are close to God

Love
