A. Bocelli

Voglio restare cosÃ¬  
magari fino in fondo.  
Il mondo attorno ormai  
non mi interessa piÃ¹.  
Mi basta averti qui  
e stringerti cosÃ¬.

Mi basta un gesto tuo,  
un sorriso, una parola,  
e un attimo cosÃ¬  
vale un'eternitÃ¬ .  
Accendi un fuoco e poi  
restiamo soli!  
Noi.

I Want To Stay Like This

-----  
A. Bocelli

I want to stay like this  
if possible to the end.  
By now the world around  
no longer interests me.  
It is enough that you are here  
and I hold you like this.

A gesture from you is enough,  
a smile, a word;  
and a moment like this  
is worth an eternity.  
Light a fire and then  
let's be alone!  
Us.
