I have a love and it's all that I have
Right or wrong, what else can I do?

I love him, I'm his and every thing he is
I am too

I have a love and it's all that I need
Right or wrong and he needs me too

I love him, we're one, there's nothing to be done
Not a thing I can do

But hold him, hold him forever
Be with him now, tomorrow and all of my life

When love comes so strong, there is no right or wrong
Your love is your life

I have a love
