I see your eyes remember
You know the song
And I try to see your picture
But that's your song with somebody else

You know I love inside your head
Cos I can't be there
You're a mystery
Intriguing me ..breath?
And your eyes
Grow all big and sad

[Chorus:]

I'd stay awake all night
For 24 hours of your love
I'd lead a simple life
For 24 hours of your love

[Verse:]

I'm not the only one that loves you
Hey everyone does
You've got a map of your past
Engraved on your face
But your strange heart
Is the heart of a boy

You know I love inside your bed
And I wanna be there
You're not comfortable
You're volatile
But you sleep like
You've answered a prayer

[Chorus:]

I'd stay awake all night
For 24 hours of your love
I'd promise black was white
For 24 hours of your love
I'd believe wrong was right
For 24 hours with your love
I'd lead a simple life
For 24 hours of your love
-24 hours of your love

[Solo]

Love

I'd stay awake all night
For 24 hours of your love -24 hours of your love
I'd believe wrong was right for 24 Hours of your love
24 hours of your love
I'd believe wrong was right
For 24 Hours of your love -24 hours of your love
I'd lead a simple life
For 24 hours of your love
24 hours of your love
