I try to learn my lesson  
How do I feel?  
Learning what life's all about  
You gave up your possessions  
You made me see  
There's no greater price then love

Come leave the past behind you  
Come better days  
Tell me when the tide is high  
Let's sail across the ocean  
Let's sail away  
On the seven seas we fly  
Heaven can wait  
Can't you see?

Hey ya Hey ya  
From the day you were born light a star high above  
Shine on you with the message of love  
Forever  
Hey ya Hey ya  
Every day every night for the rest of my life  
Wanna stand by your side  
Stay forever

Here comes a change of season  
Here comes a day  
When you tell the past goodbye  
We sail across the ocean  
We sail away  
On the seven seas we fly  
Heaven can wait  
Can't you see?

Hey ya Hey ya  
From the day you were born light a star high above  
Shine on you with the message of love  
Forever  
Hey ya Hey ya  
Every day every night for the rest of my life  
Wanna stand by your side

Stay forever

Heaven can wait  
Can't you see?

Hey ya Hey ya  
From the day you were born light a star high above  
Shine on you with the message of love  
Forever  
Hey ya Hey ya  
Every day every night for the rest of my life  
Wanna stand by your side  
Stay forever
