Tell me what you like
Tell me how you want it
Make you satisfied
We don't have much time

When I see you movin'
slowly cross the floor
my body fills of rhythm
and I just want more

Feel the music
Get the sound
Check the beat
Get down down down

When you move
When you clap clap
stomp when you pump pump
When you move
When you clap I go eh eh eh oh ih oh

Move
When you clap clap
Stomp when you pump pump
When you move
When you clap clap

Now stop
From the top

Come on lets get down
To the bottom of this
It's not about your body
or the way you kiss
If you show me yours
I show you mine
There's no time for teasing
If we're on tonight

Feel the music
Get the sound

Check the beat
Get down down down

When you move
When you clap clap
Stomp when you pump pump
When you move
When you clap I go Eh Eh Eh Oh I Oh

Move
When you clap clap
Stomp when you pump pump
When you move
When you clap clap

To the left, to the right
now front, show your back
looking down, turn around and go Eh Eh E Oh I Oh

Move
When you clap clap
Stomp when you pump pump
When you move
When you clap clap

(Dandy Andy and the funky nuns)

When you move
When you clap clap
Stomp when you pump pump
When you move
When you clap I go Eh Eh Eh Oh I Oh

Move
When you clap clap
Stomp when you pump pump
When you move
When you clap clap

To the left, to the right
now front, show your back
looking down, turn around and go Eh Eh E Oh I Oh

Move
When you clap clap
Stomp when you pump pump
When you move
When you clap clap

(Dandy Andy and the funky nuns)

Now stop
