I:

Chipul ti-l zaresc in oricare loc
As fi vrut sa te pot pastra
Ca pe-un talisman sa imi porti noroc
Ce-ar fi fost sa raman a ta...

II:

It was a night filled of music, with passion, romance
And my heart never had a chance.

Refren:

When we danced under the summer sky
Just two strangers in the pale moonlight
We were one for a moment in time
And it felt like you had always been mine.

(Cand dansam...)

III:

Glasul ti-l aud, parca m-ai striga
Dar pe strada aceea-i pustiu
Dar mi s-a parut, ploaia doar cadea
Sa te uit nu pot si nu stiu.

IV:

Si-n noaptea aceea eram in doi
Carrying me back to the night.

Refren:...

When we danced...

Will I ever feel you in my arms again?
(I'd give my life to be with you for one more dance
I remember, do you remember...

Refren(x3):...

Cand dansam si cerul ne zambea
Doi straini, luna ne privea
Cand dansam pentru o clipa am crezut
Ca de-o viata te-as fi cunoscut...

I'd give my life to be you.
