Who knows how long I've loved you.
You know I love you still.
Will I wait a lonely lifetime
If you want me to
I will.
For if I ever saw you
I didn't catch your name.
But it never really matted
I will always feel the same.
Love you forever and forever.
Love you with all my heart.
Love you whenever we're together.
Love you when we're apart.
And when at last I find you
Your song will fill the air
Sing it so loud I can hear.
Make it easy to be near you
For the things you do endear you to me
You know I will.
I will.
