So I remember when a we used to sit
In a government yard in Trenchtown,
observing the hipocrites
Mingle with the good people we meet
Good friends we have, oh, good friends we have lost
Along the way
In this great future, you can't forget your past;
So dry your tears, I seh.
No, woman, no cry;
No, woman, no cry.
A little darlin', don't shed no tears:
No, woman, no cry.
Said I remember when we used to sit
In the government yard in Trenchtown
And then Georgie would make the fire lights,
I seh, logwood burnin' through the nights
Everything's gonna be all right
Everything's gonna be all right!
Everything's gonna be all right
Everything's gonna be all right!
No, woman, no cry;
No, woman, no cry.
Everything's gonna be all right!
Everything's gonna be all right!
Everything's gonna be all right
Everything's gonna be all right!
Everything's gonna be all right!
Everything's gonna be all right!
Everything's gonna be all right!
Everything's gonna be all right!
Everything's gonna be all right!
Everything's gonna be all right!
So no, woman, no cry;
No, woman, no cry.
