"The long and winding road"

The long and winding road that leads to your door,
Will never disappear, I've seen that road before
It always leads me here, leads me to your door.

The wild and windy night, that the rain washed away,
Has left a pool of tears crying for the day.
Why leave me standing here, let me know the way.

Many times I've been alone and many times I've cried
Anyway you'll never know the many ways I've tried

Still they lead me back to the long and winding road
You left me standing here a long, long time ago
Don't keep me waiting here, lead me to you door.

Still they lead me back to the long and winding road
You left me standing here a long, long time ago
Don't keep me waiting here, lead me to you door.
