Time is on my side, yes it is
Time is on my side, yes it is
Now you always say
That you want to be free
But you've come running back
Said you will baby
You've come running back
Done that so many times before
You've come running back to me
Oh, time is on my side, yes it is
Time is on my side, yes it is
You're searching for good times
But just wait and see
You'll come running back
I won't have to worry no more
You'll come running back
Spend the rest of my life with you, baby
You'll come running back to me
Go ahead, go ahead and light up the town
And baby, do everything your heart desires
Remember, I'll always be around
And I know, I know,
like I told you so many times before
You're gonna come back, baby
'Cause I know, I know
You're gonna come back knocking
Yeah, knocking right on my door
Well, time is on my side, yes it is
Time is on my side, yes it is
'Cause I got the real love
The kind that you need
You'll come running back
Said you would, baby
You'll come running back
I don't always said you would
You'll come running back
I won't have to worry no more
Yes time, time, time is on my side, yes it is
Time, time, time is on my side, yes it is
Oh, time, time, time is on my side, yes it is
I said, time, time, time is on my side, yes it is

Oh, time, time, time is on my side
Yeah, time, time, time is on my side
