I'm feelin hot today
I'm gonna make you sway
So when I count to 4
We're going out that door, it's time to hit the floor!

REF: OI? OI!
Come on, let's get inside it!
OI? OI!
We'll never be defided
All around the world, every boy and girl race your
hands and say ol? ol?

Remember when we sang just like a boomerang?
So every girls and boys you have to race your voice, it's
time to make some noise!

REF

OI? OI?
Go go Andres
OI? OI?
Go go Andres
OI? OI?
Go go Andres
OI? OI?
Go go
