Those that will judge / will say you're aloof / but you
know the truth is a seed / you know what you need / is a
conflagration / cause when I see your blood / and the
bits of your broken tooth / it gives me the proof that I
need / it's the proof that you bleed / and it's a
revelation / it's a revelation / I thought you were a life-
sized paper doll / propped up in the hardware store /
propped up on the front lawn watching the parade / of
the legionnaires with 2/4s / marching off to wars / I
didn't know what you were made of / color of your
blood what you're afraid of / are you made of calcium
or are you carbon based / cause if you're made of
calcium I'll have to take a taste / calcium is deadly, but
tender to the tooth / but it's one sure-fire way to know if
you're mx-missile proof / or if you're just aloof / and
you were in the ground in late November / though the
leaves and earth were damp / did you think they would
remember / how you almost made state champ / and
when you're running for the game against Alfonsus /
and you fell up on the ground and chipped your tooth /
that might really have surprised us / to learn that
maybe you weren't really mx-missiles proof
