Seeing is believing, and in my arms I see her  
She's here really, here really mine now  
She seems at home here  
Seeing is believing, I dreamt that it would be her

At last, life is full, life is fine now  
Whatever happens, one thing is certain  
Each time I see a train go by  
I'll think of us, the night, the sky forever

He's young, very young  
But appealing, I feel I know him  
Seeing is believing, and I like what I see here  
I like where I am, what I'm feeling

What are we doing? Can you believe it?  
A starving actress and a star struck boy  
Oh well, I might as well enjoy  
This moment, can you believe it?

Seeing is believing, I never thought I'd be here  
Is this really me? Am I dreaming?  
No way of knowing where this is leading  
It's fun forgetting who we are, who cares?

When now the world is far behind us  
Seeing is believing, my life is just beginning  
We touched and my head won't stop spinning  
From winning your love
