Crazy cus I'm falling in love
Falling deeply in love with you
Yeah, its so damn true
Friends say I'm outta my mind
That I shouldn't be with you
But they don't understand

The way I feel for you
Is unlike any other thing
I've ever felt before
But they don't understand
That I'm not crazy
I'm just a man
Searching for reasons to find you
Over and over again
I'm not crazy, I'm just a man
I'm doing everything that I can

Crazy cus I'm telling the truth
There's nowhere to run
They're telling me that I should find another one
They can say I'm outta my mind
I'll still be your man
They still won't undersatnd

The way I feel for you
Is unlike any other thing
I've ever felt before
But they don't understand
That I'm not crazy I'm just a man
Searching for reasons to find you
Over and over again
I'm not crazy, I'm just a man
I'm doing everything that I

I'm not crazy I'm just a man
Searching for reasons to find you
Over and over again
I'm not crazy, I'm just a man
I'm doing everything but
I'm not crazy I'm just a man
Searching for reasons to find you

Over and over again
I'm not crazy, I'm just a man
I'm doing everything that I can
