I gave birth to twin wire hangovers  
Now I am a personal space invader  
I've classes I've finals due  
I have lots and lots of problems

Lookout  
Lookout  
Lookout  
Lookout

How can you put that straw up your nose  
When you know how coke is manufactured?  
It's made by children for the immature  
It's made by babies who've been captured  
It's a sin against your fellow man  
It's a sin against your fellow man

Welcome to this world have as much fun as you would  
like  
While helping others have as much fun as you're  
having  
Be kind to those you love  
And be kind to those you don't  
But for God's sake you gotta be kind  
And respectful because we're all one soul  
Be the best fucking human that you can be
