Going home, going home
I am going home
Quiet light, some still day
I'm just going home

It's not far, just close by
Through an open door
Work all done, care laid by
Never fear no more

Mother's there expecting me
Father's waiting, too
Lots of fears, eyes covered now
All the friends I knew
[Refrain]

Morning star lights the way
Restless dream all gone
Shadows gone, break of day
Real life has begun

There's no break, there's no end
Just a living on
Wide awake with a smile
Going on and on, and on

Going home, going home
I am going home
Shadows come, break of day
Real life has begun

I'm just going home
