You're in love with a girl who's in love with the world

And all I wanna do is spend a little time with you

You spend all your time waiting

Told you right from the start that I'm no 9 to 5

I'm planning to stay, wish I could see you everyday

But I'm chasing a dream for a living

I'm not what you wanted you're not what I needed

This love is a burden, my heart can't repeat it

I've been here before, gotta let you go

I believed in you and me

Hope to be everything you ever wanted

But you're asking for more you're too insecure

You're in love with a girl who's in love with the world

And all I wanna do is spend a little time with you

You spend all your time waiting

Told you right from the start that I'm no 9 to 5

I'm planning to stay, wish I could see you everyday

But I'm chasing a dream for a living

You know it's a fact that my suitcase is packed

And then I beg you to say that it's ok

That I can go to the end of the world

And still be your girl

Call me on the phone say you hate to be alone

It's my fault that you always cheated

I've been here before you're too insecure

You're in love with a girl who's in love with the world

And all I wanna do is spend a little time with you

You spend all your time waiting

Told you right from the start that I'm no 9 to 5

I'm planning to stay, wish I could see you everyday

But I'm chasing a dream for a living

Oh oh oh the world is calling  
Oh oh oh the world is calling  
The world is big enough for me

You're in love with a girl who's in love with the  
world  
And all I wanna do is spend a little time with you  
You spend all your time waiting  
Told you right from the start that I'm no 9 to 5  
I'm planning to stay, wish I could see you everyday  
But I'm chasing a dream for a living

You're in love with the girl who's in love with the  
world (x3)
