You got a story,
I got one too,
You had something to gain,
I had it all to lose.

Spoke in riddles,
Couldnt hold your tongue,
Used all of your alibis,
And you invented another one.

You always needed someone to take care of you.
Just another pretty face, with an attitude.

Oh yeah

Your yesterdays news,
Just like yesterdays news,
Yesterdays news,
So put on those walking shoes!

Put em on now

Bridge:

You cantwalk that walk,
Walk that walk,
Walk that walk,
Walking

Stopped counting your blessings,
Spread yourself thin,
Everybody needs mending,
Burn the candle at both ends

Oh yeah

Pretty face with an attitude,
You always needed someone to take care of you!

Your yesterdays news,
Just like yesterdays news,
Yesterdays news now

So put on those walking boots!

So start walkingwalk on
