I know my four leaf clover's faded
And my, oh my three strikes are out
Two hearts folded together; I'm sure you call that one
in a million civil romance
Please give me one more chance and I'll leave you
alone
Cause I, I can't offer anything
No money, no diamond rings
Just a plea, oh please take me home
Oh, take me home
Take me home, oh take me home
I know I don't deserve it
I don't even deserve your grace
But just for tonight darling, look at my face
And my memory is scarred with useless potential
And my, oh my wounds are open wide
Two hearts folded together, I'm sure you call that one
in a million civil romance
Please give me one more chance and I'll leave you
alone
Cause I, I can't offer anything
No money, no diamond rings,
Just a plea! Oh please take me home
Take me home, oh take me home
I know I don't deserve it
I don't even deserve your grace
But just for tonight darling, look at my face
And take me home, oh take me home
Take me home, oh take me home
Take me home, take me home
Take me home.
