You are the face,
Of all my fears,
Haunting me,
I never seem to erase you,
From my memory,
You are the ghosts,
You are the ghosts,
Withdraw from me your torture,
And in return receive,
An everlasting target,
Of hurtful pain to weave,
That you've caused me,
That you've caused me,
If only I could,
Take back everything,
That I've done,
I would be redeemed,
For all the pain,
That I have caused,
You,
Even though,
You are alright,
And you'll live,
Throughout the night,
Even though,
You are alright,
And you'll live,
Throughout the night,
If only I could,
Take back everything,
That I've done,
I would be redeemed,
For all the pain,
That I've caused,
You,
Even though,
You are alright,
And you'll live,
Throughout the night,
Even though,
You are alright,
And you'll live,

Throughout the night,
You are the ghosts,
You are the ghosts.
