Andrew Lloyd Webber  
from *\_Aspects of Love\_*  
Anything but lonely  
Anything but empty rooms  
There's so much in life to share  
What's the sense when no one else is there?  
Anything but lonely  
Anything but only me  
Quiet is in too much space  
That's the thing that's hard to face  
And you have a right to go  
But you should also know  
That I won't be alone for long  
The long days with nothing said  
Are not what lie ahead  
I'm sorry, but I know that's wrong  
Anything but lonely  
Anything but passing time  
Alone is what I'll never be  
While there's still some life in me  
And I'm still young, don't forget  
It isn't over yet  
So many hearts for me to thrill  
If you're not here to say  
How good I look each day  
I'll have to find someone who will  
Anything but lonely  
Anything but empty rooms  
There's so much in life to share  
What's the sense when no one else is there?  
What's the sense when no one else is there
