Has the Persephone docked yet?
Yeah, the passengers are going through customs now
Here they come

It's Mrs. Aster
Hey, Mrs. Aster, over here
Hey, how was the trip?
Is that the latest Paris style?

Look, there's Colonel Vanderbilt
Hey, Colonel, enjoyed those French Pastries, did you?
There's nothing there we don't have
Bigger and better over here, I assure you
Thanks, Colonel

There, that's Oscar Hammerstein, ain't it?
Hey, Mr. H, over here, this way
H-How was Europe?
Hey, there she is
Miss Daae, Miss Daae
Christine, Miss Daae

Her name is Madame De Chagny
Now stand aside, stand aside please
No pictures, do you hear?
No pictures of my wife
No pictures of the boy

Hey, hey Christine, why Coney Island?
Your first concert in years
Why aren't you singing it at the [Incomprehensible]
The Countess has been engaged by a well known
persona
Well known?
I have never seen the guy

Hey, how do you lower great Christine Daa© over
here anyway
It's the money, right?
Yeah, all that American moolah?
Oh, hey, Christine, what you gonna sing, Yankee
Doodle Moolah?

My wife is an artist, sir

Yeah, and her art is payin' off your gamblin' debts
It's what they're sayin' in France
Is it true you left your entire fortune on a roulette table
in Monte Carlo?
What an insult, how dare?
Father, not now, Gustave

Hey kid, how's it feel to have a famous mother?
This your first time in America?
What do you plan do to here in Coney?
I, I want to learn how to swim
I said, leave the child alone
God's sake, didn't this Mr. Y send someone to receive
us?

Mother, look
Right over there
Across the square
What is it?
Strange, never seen anything like it
