I only want to say  
If there is a way  
Take this cup away from me  
For I don't want to taste its poison  
Feel it burn me,  
I have changed  
I'm not as sure  
As when we started

Then I was inspired  
Now I'm sad and tired  
Listen, surely I've exceeded expectations  
Tried for three years, seems like thirty  
Could you ask as much from any other man?

But if I die  
See the saga through and do the things you ask of me  
Let them hate me, hit me, hurt me, nail me to their tree  
I'd want to know I'd want to know my God  
I'd want to see I'd want to see my God

Why I should die  
Would I be more noticed than I was ever before?  
Would the things I've said and done matter any  
more?  
I'd have to know I'd have to know my Lord  
I'd have to see I'd have to see my Lord

If I die what will be my reward?  
I'd have to know I'd have to know my Lord  
Why should I die?  
Can you show me now that I would not be killed in vain?  
Show me just a little of your omnipresent brain  
Show me there's a reason for your wanting me to die  
You're far too keen on where and how but not so hot  
on why  
Alright I'll die!  
Just watch me die!  
See how I die!

Then I was inspired

Now Iâ€™m sad and tired  
After all Iâ€™ve tried for three years, seems like ninety  
Why then am I scared to finish what I started  
What you started -- I didnâ€™t start it  
God thy will is hard  
But you hold every card  
I will drink your cup of poison,  
Nail me to the cross and break me  
Bleed me, beat me, kill me  
Take me now  
Before I change my mind
