Christine: Love's a curious thing  
It often comes disguised  
Look at love the wrong way  
It goes unrecognized

So look with your heart  
And not with your eyes  
The heart understands  
The heart never lies  
You need what it feels  
And trust what it shows

Look with your heart  
The heart always knows  
Love is not always beautiful  
Not at the start

So open your arms  
And close your eyes tight  
Look with your heart  
And when it finds love  
Your heart will be right

Learn from someone who knows  
Make sure you don't forget  
Love will misunderstand  
Is love that you'll regret

Gustave: Mother  
Look with your heart  
And not with your eyes  
The heart can't be fooled

Christine: The heart is too wise

Gustave: Forget what you think

Christine: Ignore what you hear

Christine and Gustave: Look with you heart  
It always sees clear

Gustave: Love is not always beautiful  
Not at the start

Christine: But open your arms  
And close your eyes tight  
Look with your heart  
And when it finds love  
Your heart will be right
