

Andrew Lloyd Webber "Moments Of Happiness"

The moments of happiness
We had the experience but missed the meaning
And approach to the meaning restores the experience
In a different form beyond any meaning
We can assign to happiness
The past experience revived in the meaning
Is not the experience of one life only
But of many generations
Not forgetting something that is probably quite
ineffable
Moonlight
Turn your face to the moonlight
Let your memory lead you
Open up, enter in
If you find there the meaning of what happiness is
Then a new life will begin
